

Education	Carnegie Mellon University Pittsburgh, PA Aug 2016 - May 2020	Bachelor of Design in Communication Design University + College Honors Cumulative GPA: 3.80 / 4.00	
Experience	Workday Product Design Intern May 2019 - Aug 2019	I designed UI flows and internal guidelines for a navigational pattern. I also initiated a communication strategy to align and unify design system partnerships across Workday's apps designers, product managers, and developers.	
	CMU School of Design Teaching Assistant Aug 2018 - May 2020	I advised students in Freshmen Studio, Junior Communications Design Studio, and Communications Design for Non-Majors. I provided constructive + nurturing feedback to students and assisted in their setting of personal and professional goals. Workshops: Intro to AfterEffects + Illustrator; Working w. Design Systems; Emotional Impacts of Paper and Physical Materials	
	Woodland Hills District Visual Designer Jan 2018 - Jul 2018	I and a multidisciplinary team envisioned design innovations to school transportation. We created a physical/digital game experience where I led efforts on its visual language, brand identity, and component organization across mobile and print.
