Education

Aug '16 - May '20	Carnegie Mellon University School of Design Pittsburgh, PA	Bachelor of Design in Communication Design Cumulative GPA: 3.80 / 4.00 University + College Honors
----------------------	---	--

Experience

May '19 - Aug '19	Workday Product Design Intern Pleasanton, CA	I designed UI flows and internal guidelines for a navigational pattern for Workday's app suite. I also initiated a communication strategy to align and unify design system partnerships across Workday's apps designers, product managers, and developers.
Aug '18 - May '20	CMU School of Design Teaching Assistant Pittsburgh, CA	I advised students in Freshmen Studio, Junior Communications Design Studio, and Communications Design for Non-Majors. I provided constructive + nurturing feedback to students and assisted in their setting of personal and professional goals. Workshops: Intro to AfterEffects + Illustrator; Working w. Design Systems; Emotional Impacts of Paper and Physical Materials
Jan '18 - July '18	Woodland Hills District Visual Designer Pittsburgh, PA	I and a multidisciplinary team envisioned design innovations to school transportation. We designed a modular game experience where I led efforts on its visual language, brand identity, and component organization across mobile and print.

Skills + Tools
